Select Med+ Medical Drug List 2025 - Effective 1/1/2025

Select Med+ Medical Drug List is part of Synergie's Select Med+ program to achieve lowest net cost savings. As part of the program, the following Select Med+ Medical Drug List for selected products will be effective 1/1/2025. Highlights of the Select Med+ Medical Drug List include:

- Combines clinical and cost-effectiveness evaluation to make selection of preferred medical drugs in an effort to control the rising cost of healthcare for the 100 million members that are part of Synergie;
- Clients use the guidance to apply strategies for their plans to achieve net-cost savings for their insured lives, employer groups and members; and
- Strong adoption of recommendations and net-cost savings will result across several condition-categories that have selected preferred medical drugs, particularly in areas with direct competition such as biosimilars.

At a minimum, Synergie will update the medical drug list annually and as needed throughout the calendar year. ***This list is solely based on recommendations made by Synergie to its participants. Product coverage and medical policy and guideline decisions are made by each health plan independently, in their sole discretion.***

Select Med+ Cell & Gene Medical Drug List 2025 - Effective 1/1/2025

Select Med+ Cell & Gene Medical Drug List is part of Synergie's Cell & Gene+ program to obtain total value and cost savings with very expensive cell- and gene-based therapies. As part of the program, the following Select Med+ Cell & Gene Medical Drug List for selected products will be effective 1/1/2025.

Highlights of the Cell & Gene+ program include:

- Risk Protection – alleviates drug costs for payers, with lowest fee;
- Patient Navigation – national program for navigating patients to highest quality sites at lowest cost; and
- Outcomes - scalable VBCs, with longitudinal patient tracking to provide payer value certainty.

At a minimum, Synergie will update the Cell & Gene Medical Drug List annually and as needed throughout the calendar year. ***This list is solely based on recommendations made by Synergie to its participants. Product coverage and medical policy and guideline decisions are made by each health plan independently, in their sole discretion.***
